AMENDMENT IN RESPONSE TO OFFICE COMMUNICATION

Dear Madam:

Enclosed is a response to the Office Communication provided by the Examiner of July 14, 2003 with regards to the previously filed Office Action response of April 17, 2003 and December 17, 2002. It was brought to the Applicant's attention that the clean copy of the amended claims, as filed on April 17, 2003 and December 17, 2002, did not correspond with the version with markings to show the changes made. Applicant submits the following corrected versions of the amended claims that correspond to the office action as submitted on December 17, 2002.

A marked up version of the claims starts on page 2 of the office action in accordance with the new amendment rule changes.
